
Keep Horse Healthy Advice Veterinarian Phyllis

animal husbandry management practices - dehorning (cattle) the younger the animal, the better!!
dehorning can be done at any age but should preferably be done before 8 weeks of age. it is best done during the winter when there are very few flies. **produced quarterly august 2016 street beggars and homeless**
- safer gloucester news page 4 august 2016 car crime please everyone take care not to leave valuables on display when you park your car—even if it is outside your house or on
